

Symphony Society of Saint Charles County

New Project Initiative MUSIC SCHOLARSHIP PROGRAM

The Symphony Society of St. Charles County is a regional orchestra that presents free classical and pops concerts to the community.

A primary goal of the orchestra includes providing a volunteer organization which encourages participating members opportunity to improve musical technical skills, create cultural performances for our patrons, and perpetuate music for future generations. As an advocate for music opportunities for youth, the orchestra encourages participation of talented musicians in this ensemble.

The orchestra has established a scholarship program that will enable young musicians ages 15-22 to receive a scholarship. The value of each scholarship (maximum of \$500/year) will be determined by accumulated rehearsal/concert participation with the Symphony Society of Saint Charles County. That value would be available to the participant to advance musical studies after the conclusion of the musical season or completion of high school for use in college.

Eligibility for participation in this program:

Instrument – Violin, Viola, Cello, String Bass

Responsibility - Attend 70% of preparatory rehearsal and the concert presentations

Audition materials may be found on www.stcsymphony.org

This scholarship program has been approved by MSHSAA and the player will maintain eligibility for all academic activities. Interested young instrumentalists ages 15-22 may request audition info by calling 314-330-3457.

Rehearsals are Tuesday evenings 7:30-9:30 at the: First Baptist Church of St. Charles
2701 Muegge Road
St. Charles, MO 63303
